WHAT DREW YOU TO WORK AT MOCSA?

I saw that my friend had got a new job at an amazing organization. I checked out the MOCSA website and instantly felt like I needed to work for this agency! And 6 years later I'm **still in love with the organization** and I absolutely love the job I do and the people that I work with!

WHAT ARE YOUR HOBBIES?

Some of the things I like to do outside of work are traveling with my husband, watching home improvement shows, watching baking competitions (even though I'm not a baker) and I am also a true crime enthusiast!

HAVE YOU WORKED ANY INTERESTING JOBS?

One I really enjoyed was working in the fitting room part-time at the GAP! I worked there for several years, and I absolutely loved working there. For a second, I even thought about changing career paths and being a buyer for the GAP, but my heart was in working in the field of advocacy.

WHO INSPIRES YOU?

My grandmother! She inspired me to be a **good person**. Don't just be nice but be kind to others. She inspired my **love for fashion and fragrances** as well. She was always such a classy lady and a hard worker. She truly lived for her family. She was the glue that kept us all together.

My favorite food that I could honestly eat everyday is TACOS! That's one of my favorite foods to cook for my husband and family events.
