This informal and friend-making luncheon will give you a better understanding of the services MOCSA provides to the greater Kansas City area.

It is not a fundraising event, and there will be no donation requests. We simply want to introduce you to our services for community awareness and educational purposes.

We provide lunch and also have an optional tour of our offices on the 4th floor following the presentation.

The Friends Lunch begins at noon and you will be out no later than 1:15pm. We hope you are able to join us.

For 42 years, MOCSA has been the only rape-crisis center and comprehensive sexual violence service provider for the Kansas City metropolitan area. In 2015, MOCSA served more than 60,000 people in the Greater Kansas City area through education and outreach, intervention, treatment and advocacy services.

MOCSA's mission is to improve the lives of those impacted by sexual abuse and assault and prevent sexual violence in our community.
