Community & Professional Education

Stewards of Children (Child Sexual Abuse): *Stewards of Children* teaches adults how to prevent, recognize, and react responsibly to child sexual abuse. It is the only nationally distributed, evidence based program proven to increase knowledge, improve attitudes, and change child protective behaviors. 120 min.

Sexual Assault: Participants will learn the definitions of sexual assault, rape, and the laws of consent for Kansas and Missouri. Discussion topics include myths and facts, trauma responses, bystander engagement, and what to do if sexual assault occurs. 60 – 120 min.

Bystander Engagement & Responding to Victims: Participants will learn about the important power of bystanders in situations including child sexual abuse, drug facilitated rape, and intimate partner sexual violence. Intervention strategies, victim support, and reporting abuse will be discussed. 60 – 90 min.

Men in the Movement: This presentation examines the roles that men can have in preventing sexual violence. By discussing sexual violence as a men's issue, participants will gain in depth knowledge about sexual violence and prevention. 45 – 60 min.

Film Screenings: MOCSA's Educational Film Library offers a variety of films for in-depth discussion focusing on sexual assault, gender, and relationships.

Advanced Professional Training: Training for advocates, counselors, law enforcement and other professionals is available to fit the needs of your group. Topics may include; Introduction to Title IX, Advanced Sexual Assault Dynamics, Trauma Informed Response, Children with Sexual Behavior Problems, and Child Sexual Abuse Treatment.
