

VOLUNTEERING AT MOCSA

Volunteers at MOCSA serve in a variety of roles, from hospital advocacy to Project Aware, crisis line to community education. Volunteers are provided with an initial training plus additional trainings specific to their chosen volunteer roles. Volunteers are offered opportunities for continuing education throughout their volunteer experience in addition to fun events and networking opportunities.

31,186 VOLUNTEER HOURS

MOCSA volunteers are vital to the services we provide. More than 400 volunteers provided 31,186 hours of service in 2016. The monetary value of those hours of service is \$734,742!

WHO ARE MOCSA VOLUNTEERS?

MOCSA volunteers live in Kansas and Missouri. They range in age, race, ethnicity, abilities, and skills. Volunteers range from full time students to retirees. Each MOCSA volunteer brings their own unique set of skills, life experiences, and energy.

VOLUNTEER RECRUITMENT & ENGAGEMENT

Volunteers learn about MOCSA in different ways. They learn about us through community presentations, posters, events, and through those who volunteer or use our services. Some volunteers are looking for ways to increase their skill set, add to their resume, and some are survivors. No MOCSA volunteer is the same — but all MOCSA volunteers care about their communities and MOCSA's mission.

HOSPITAL ADVOCACY

In 2016, MOCSA responded to provide hospital advocacy to 646 victims of sexual violence. Of those activations, 436 were completed by volunteers.

COMMUNITY EDUCATION & OUTREACH

Many MOCSA volunteers provide education presentations and represent MOCSA at community events. In 2016, volunteers participated in our Project Aware education program and represented MOCSA at community fairs and events. MOCSA Speakers Bureau volunteers shared their stories with various audiences and helped raise awareness in our community.

“Volunteering is the ultimate exercise in democracy. You vote in elections once a year but when you volunteer, you vote everyday about the kind of community you want to live in.”
